

Growing Off The Land Gallery

Gallery Description: Step into the captivating realm of Growing off the Land and dive into an immersive exploration of our local agricultural landscape. This dynamic exhibit invites children to step into various roles within the farming community. Hands-on activities and immersive learning opportunities that offer a unique insight into the interconnected web of farm-to-table practices, inviting visitors to deepen their understanding and appreciation of the agricultural community.

Exhibit Sponsor Details: When you support the Children's Discovery Center, your generosity will be recognized in a lasting way. Your name—or your business name—will be proudly acknowledged on our donor wall and, at certain levels, featured next to the exhibit you help bring to life. This means every child and family who visits will see your commitment to learning, play, and community.
